6. Ordinances and Resolutions on Second Reading and Final Passage:

a. Ordinances and Public Hearings pursuant to Article 6, Section 6.01 E of the Plaquemines Parish Charter:

b. An Ordinance establishing the policy of the Plaquemines Port, Harbor, and Terminal District in regard to its records; and otherwise to provide with respect thereto. (DEFERRED & CARRIED OVER FROM 3-12-26) COMMISSIONER MCCARTY

DIGEST: To establish a policy that the members of the Parish Council, in their role as the governing authority of the Port, may access Port records without the need for a formal public records request. *The digest is for informational purposes only and is superseded by the language of the actual ordinance or resolution.*

c. An Ordinance authorizing Plaquemines Port Harbor and Terminal District, to amend Task Order No. 6 for Infinity Engineering to create Task Order 6a to approve additional scope requirements for additional engineering and design services for LGP Rail Extension project and to amend the Five-Year Capital Improvements Plan 11 Mile Rail-CAD/Surveys Project; and otherwise to provide with respect thereto. COMMISSIONER NEWSOM

DIGEST: Plaquemines Port Harbor and Terminal District is indebted to Infinity Engineering for providing additional engineering and design services under Task Order No. 6 as the LGP Rail Extension Project, as the previous Executive Director had authorized work within his threshold but never amended the budget for the additional cost. *The digest is for informational purposes only and is superseded by the language of the actual ordinance or resolution.*

d. A Resolution authorizing the Plaquemines Parish Port, Harbor & Terminal District to enter into agreements with Enterprise FM Trust and Enterprise Fleet Management Inc. for the acquisition, maintenance, management, disposal, and financing of Port fleet vehicles, and otherwise providing with respect thereto. COMMISSIONER NEWSOM

DIGEST: This Resolution authorizes the Port to enter into a comprehensive set of contracts with Enterprise Fleet Management (EFM) and Enterprise FM Trust to modernize, maintain, finance, and remarket (sell) the Port's vehicle fleet. Together, these agreements support a fully integrated lifecycle fleet management program covering: acquisition of vehicles, leasing structure and financial terms, full maintenance and repair management, short-term rental support, fleet disposal via consignment auction, and credit and ach authorization to facilitate billing. *The digest is for informational purposes only and is superseded by the language of the actual ordinance or resolution.*

- e. A Resolution adopting revisions to the Operations Policies and Procedures for Plaquemines Port, Harbor & Terminal District (the Port) regarding Service Animals; and otherwise to provide with respect thereto. COMMISSIONER NEWSOM

Digest: The revised Service Animal Policy comprehensively updates the Ferry Service's procedures to ensure full compliance with the Americans with Disabilities Act (ADA) Title II, 28 CFR Part 35, 49 CFR Part 39 governing Passenger Vessel Operators, and Federal Transit Administration Civil Rights requirements. The amendments clarify statutory authority; adopt the ADA-compliant definition of a service animal; incorporate required miniature horse accommodation standards; expand vessel-specific access provisions; formalize permissible inquiry limitations; strengthen direct threat and removal criteria; preserve legitimate vessel safety authority; and establish enhanced staff training and record retention protocols. These revisions strengthen legal defensibility, reduce regulatory and audit risk, and formalize operational guidance without materially altering day-to-day ferry operations. *The digest is for informational purposes only and is superseded by the language of the actual ordinance or resolution.*
