

INVITATION TO BID (ITB)

Louisiana Gateway Port Westbank Ferry Landing Barge - Water Jet Cleaning & Surface Patch Installation

Louisiana Gateway Port is seeking bids from qualified contractors to perform cleaning and structural patchwork on the Belle Chasse Ferry – Westbank Landing Barge.

Scope of Work

- Water Jet Cleaning the interior of the barge area to remove mud and debris.
 - Patch Installation -Fabricate and install a patch over the existing 10 ft x 7 ft opening.
 - Patch must prevent mud, silt, or water intrusion back into the barge space.
 - Patch materials must meet marine maintenance standards.
 - All work must be done on location at LGP's Belle Chasse ferry landing. The landing barge will not be drydocked
 - Patch must be approved by naval architect and plans must be submitted to LGP for review
 - Work must have minimal impact to ferry service if and when possible
 - Work must be completed in 60 days (30 days planning / securing material and 30 days working on sight)
